Here at HalfSauced Barbeque we do things a little different. Take our barbeque pit, it's wood-fired and wood-fired only. No gas, no propane, no electricity for heat; just wood. Our meats are seasoned with our competition dry rub, and then slowly smoked. This makes our barbeque very unique. The flavor comes from the meat, the rub and the smoke. The result— tender, juicy barbeque so good that sauce is not needed. We like to say, "Sauce on the side; nothing to hide."
